Generation No. 1

1. ELIZABETH¹⁰ RAGSDALE (*PETER⁹, BENJAMIN⁸, GODFREY⁷, GODFREY⁶, JOHN⁵, WILLIAM⁴, HENRY³, ROBERT², HENRY¹*) was born July 15, 1776 in MECKLENBURG CO., VA, and died March 10, 1854 in WINDER, BARROW, GEORGIA. She married ABNER CAMP 1798 in GREENVILLE CO, SC, son of JOHN CAMP and MARY TARPLEY. He was born July 12, 1775 in RUTHERFORD COUNTY, NC, and died September 17, 1853 in WALTON COUNTY, GEORGIA.

Notes for ABNER CAMP:

Jackson/Walton County Georgia

From Princeton, South Carolina, I traveled to Jefferson, Jackson County, Georgia. At the Jackson County Historical Society, I found the will of William Allen and discovered that Jackson County and split into several counties to include part of Walton and Barrow Counties. This clears up some confusion about where the Allens and Camps actually lived. It appears that they lived along the Apalatchee River south of Winder, Georgia. This would have been Jackson County originally, then Walton and after 1900, Barrow County, Georgia. I did not find the graves of William Allen, William B. Allen or Abner Camp. There are many family cemeterys and church cemeterys, but could not find the Treadwell Cemetery or anyone who knew the location of it. I did talk to an elderly woman from the Treadwell Family, but she could not tell me where the cemetery was located.

I did confirm that Campton, Georgia was settled by the Camp family and the last Camp's left during the Depression of the 1930's. I took pictures of the restored Camp home and store in Campton. At the Bethlehem United Methodist Church outside Bethlehem, Georgia, I found a marker that stated the land for the church was donated by John WB Allen in 1847. (see article on Bethlehem Church) The Barrow county map shows a Camp Cemetery northeast of the Bethlehem Church on Tom Camp Road. I did not find the cemetery. It was either gone or so grown over that I missed it.

In the Walton County library at Monroe, Georgia, I found several articles which contained references to John WB Allen, Abner Camp and several other Camp family members.

From Walton County I drove to Atlanta, Georgia on April 30 and flew back to Oklahoma. This was an enjoyable trip. You can't describe the feelings that come from traveling the same route as your ancestors and trying to picture what it must have been like during and after the Revolutionary War.

DR. ROBERT ABNER ALLEN

Robert Abner Allen was born Feb 14, 1840 in Walton County Georgia to John William Barkley Allen and Martha Camp Allen. The family moved to Fayette County Texas in 1851.

Robert Abner Allen married Virginia Ann Carmichael (see Carmichael Family History) in Fayette County Texas on April 18, 1859. In the 1860 census he is listed as a stock raiser.

The Allen's had seven children, six who lived to maturity.

They were Mary Martha Frances Allen born June 21, 1862; Virginia Ellen Allen born July 1, 1865; William McCall Allen born Jun 2, 1867; Anna Allen born September 18, 1869; unnamed twin to Anna;

Isabell Allen born January 17, 1872 and Bertha Lena Allen born March 6, 1875.

Robert served with the 26th Texas Calvary during the Civil War.

He participated in the Red River Campaign around the Natchitoches, Louisiana area in 1864. His brother Richard Glen was killed during this battle.

He probably attended Medical School at Bastrop College or in Galveston after the Civil War as his brother George did.

Robert A. Allen is shown in the 1870 census as a medical student in Fayette County, Texas. He moved to Florence, Williamson County, Texas in 1871 where he bought property on October 4, 1873. They lived in Williamson County until around around 1879. Virginia, his wife died Decenber 11, 1877. She is buried in the Florence Cemetery. Her grave is in the middle of the cemetery near the service shed.

Dr. Allen then moved the family to Coleman County, Texas where he bought 160 acres of land in July 1879. He lived here until his death in 1883. While completing his scheduled rounds in rural Coleman and Brown Counties in May of 1883, he caught pneumonia and died in his buggy. He is buried in the Mud Creek Cemetery near his father's home west of Thrifty, Texas.

CONFEDERATE TEXAS TROOPS

26th Regiment, Texas Cavalry (Debray's) (Davis' Mounted Battalion)

26th Cavalry Regiment was formed in March, 1862, using the 7th Texas Cavalry Battalion as its nucleus. Its companies were from Huntsville, Houston, Lockhart, Galveston, Centerville, and Hempstead, and Leon and Walker counties. Considered to be one of the best disciplined regiments in Confederate service, it was assigned to H. Bee's and Debray's Brigade in the Trans-Mississippi Department. The unit served along the Rio Grande and in January, 1864, contained 29 officers and 571 men. It was involved in the operations against Banks' Red River Campaign, then returned to Texas where it was stationed at Houston and later Navasota. Here the 26th disbanded in May, 1865. The field officers were Colonels Samuel B. Davis, Xavier B. Debray, and John J. Myers; Lieutenant Colonel Medard Menard; and Major George W. Owens.

Notes for DOCTOR FRANKLIN BAKER:

Doctor Franklin Baker

Doctor Franklin Baker was born in Talapoosa County, Alabama on October 3, 1853 to Allen Baker and Bettie (Elizabeth) Williams. Franklin and his sister Eliza J. are shown on the 1860 census of s living in the household of Peter W. Baker, Franklin's uncle. The indication is that his mother died while he was a mere child.

D. F. Baker's father served in the Civil War with Company B, 21st Alabama Regiment. He was captured at Ft. Gaines during the Battle of Mobile on Aug 8, 1864. He was taken to New Orleans and on Oct 25, 1864 taken to Ship Island by the Union forces where he died of dysentery on Dec 11, 1864.

It is rumored within the family that Franklin and his sister were raised by an aunt, Mrs. Sally Baker, around Selma, Alabama.

Sometime during the 1880's Franklin began working as a cowboy delivering under contract horses and mules from the Selma, Alabama area to the West Texas area. There he met Isabell Allen

(see Allen Family History). Both of Isabell's parents were deceased by this time and her grandfather John William Barkley

Allen had to give his permission for Franklin and Isabell to

marry. They were married on September 25 1889 in Coleman City, Coleman County, Texas.

Franklin and Isabell had nine children: Bessie Inez Baker born August 18, 1890; Rufus Franklin Baker born June 17, 1892; Fred Owen Baker born October 1, 1894; Bertie French Baker born October 28, 1896; Virginia Belle Baker born August 26, 1898; Martha Agnes Baker born September 18, 1900; Willie Ruby Baker born March 7, 1902; Ruth Allen Baker born July 22, 1905 and Myrtle Ethel Baker born April 24, 1907.

Doctor Franklin Baker worked as a farmer and a drayman in Texas. He died in Santa Anna, Coleman County, Texas on December 27, 1907. Isabell sold the family farm in 1913 and moved the family to Oklahoma. They traveled by train from Valley Mills to Vernon, Texas and then by wagon to the Elmer Community near Altus, Oklahoma. Notes for DOCTOR FRANKLIN ARNOLD:

Doctor Franklin "Doc" Arnold

Mueller's Tri-Cities Funeral Home

Doc (as he was known to his friends) was born on June 3, 1924, in Chillicothe, Texas, to Franklin and Virginia (Dollie) Arnold.

His parents, Frank and Dollie, and his brother, Altus Lee (Tex) Arnold, preceded him in death.

Doc was offered early graduation from high school with the agreement that he would sign up for military service to aid in the defense of his country during World War II.

So on January of 1943, he graduated from Hanford High School, located on what is now called the Hanford Reservation in Washington State, and joined the U.S. Navy.

He served as a radio operator 2nd Class for the Navy's Construction Battalion. His service lasted three years and saw the end of the war in the South Pacific.

In 1948, Doc married Marjorie Kirkham and together they started a business called 'The House of Service' in downtown Kennewick. The business provided service and sales of electronics, appliances and hobby supplies.

Due to the slow post war economy, Doc closed his business and began working on the Hanford Reservation.

He continued to work for the various government contractors in the Hanford area for 30 years as a senior I and C

engineer.

In 1979, Doc took early retirement to be able to devote his full time to his asparagus farm that he and his wife, Marjorie, had established in the Sunnyside area of the Yakima Valley.

During the winter months, when the asparagus was dormant and irrigation was not available, Doc and Margie would travel to California to live the good life in their travel trailer.

Later, they established a temporary home in Surprise, Arizona, at the Sunflower RV Resort where they had an active social life and developed many new friends. In springtime they would return to their farm in Sunnyside to irrigate and harvest the asparagus that they grew.

They repeated this cycle for many years finally retiring from farming in 1992. They continued to winter in Arizona and would return to Kennewick for the summer.

Doc is survived by his wife, Marjorie; a daughter, Shirley Ostboe; and 3 sons, Terry, Dan and Steven. His legacy also includes 19 grandchildren and 32 great-grandchildren.

There will be a memorial service for Doc Arnold on Friday, September 23, 2005 at Mueller's Tri-Cities Funeral Home, 1401 S. Union, Kennewick, Washington, starting at 2 p.m.

Published in the Tri-City Herald on 9/23/2005.
